NURSERIES

CAIRO, GEORGIA • SINCE 1887

"WIGHT GROWN MEANS GROWN RIGHT"

THIS SPECIAL MONTHLY SUPPLEMENT is designed to complement and not to replace our Fall 1954 wholesale price list. It contains listings on plants that are either especially appropriate for the season, or plants on which we can quote especially attractive prices, or both.

Prices quoted are subject to change without notice, and apply only for the period shown on the cover. All quotations are fob Cairo, with packing at cost added. Container grown stock is quoted fob the nursery, and will not be crated or boxed. Transportation can be arranged at reasonable prices for tractor-trailer loads up to 12 tons.
